Goldilocks & the Three Bears (October 28, 2017)

While in the forest, Goldilocks discovers quaint little home of a bear-y musical family: Papa Bear, Mama Bear, and Baby Bear. Feeling hungry and tired, Goldilocks explores the bear's music-filled cottage while they're away.

The music presented by your Orlando Philharmonic Orchestra string quartet will seem "just right" in this fresh re-telling designed especially for the Symphony Storytime Series with the help of Music Director Eric Jacobsen.

Concerts begin at 10:30 am & 12:00 p.m., with pre-concert activities starting at 10:00 am and 11:30 a.m.
