Second Step

**Student Success
Through Prevention**

**Program offered by the
Children's Home Society
CINS/FINS Program
Osceola County**

WHAT IS SECOND STEP

The *Second Step* program is universal, Classroom-based, and designed to:

1. Increase Students' school success
2. Decrease Behaviors issues
3. Promote Social-emotional competence and self-regulation.

WHAT DO WE TEACH

The *Second Step* program has Five Core Program Components for teaching and reinforcing Skills for:

1. **Empathy**- recognizing their own emotions and those of others.
2. **Emotion Management**- helps develop children's ability to manage anger and other strong emotions.
3. **Problem Solving**-learn a process for solving problems with others in a positive way.
4. **Learning**-focusing on attention, listening, using self-talk and being assertive.
5. **Bullying prevention** – learn to recognize, respond to, and report bullying.

WHAT ARE THE BENEFIT

Second Step skills benefit kids by helping them:

1. Listen and pay attention
2. Manage their own behavior and emotions
3. Solve problems
4. Get along better with others

These abilities are essential for kids' success in school, with peers, in the workplace and in life.

WHAT IS OUR MISSION

The CINS/FINS program is a prevention program that works with at risk youth and families of our community before they enter either the delinquency or dependency systems. Through the *Second Step* program we target K-8 students and assist them in becoming law-abiding citizens.
