Early LearnHub Project: Macro Learning Spaces

Macro Play Spaces

Questions:

1. Can the Authorities Having Jurisdiction (AHJ) provide a list of known acceptable manufacturers previously used for Macro Learning Spaces and/or similar educational spaces for children?

We do not have any previous manufacturers. We are expecting all materials, equipment and toys to be in compliance with all applicable health and safety standards for construction and installation

2. What is the age range of the children that will be utilizing the Macro Learning Spaces?

Ages between one to eight years.

3. What are the five locations and their addresses?

The specific locations have not been chosen yet, but they will be situated within Osceola County.

4. Are there any precedent studies with literature and images available that the Authorities Having Jurisdiction (AHJ) can provide for research purposes?

No.

5. Can the Authorities Having Jurisdiction (AHJ) provide documentation including floor plans and elevations of the existing buildings and spaces that will house these Macro-Spaces?

The specific locations have not been determined yet. The awarded vendor must be flexible and capable of customizing each play space accordingly.

6. What is the expected net gross square footage of each space?

The specific locations have not been chosen yet. The awarded vendor should be flexible enough to customize each play space accordingly. The estimated size is between 100-250 sq. feet.

Marketing Wall & Space Concept

Questions:

1. Is there a predetermined curriculum that is expected to be covered?

No, there isn't a specific curriculum. Marketing elements on the walls or around the space should align with the theme of the play space.

2. Can the AHJ provide pdf, jpeg files of the logos?

This information will be furnished once we have selected our partners.

General Questions:

1. How will candidates' responses be scored?

Please examine the scoring rubric located on page 23 of the ITN package.
